# VENUES and AMENITIES

## CITY VIEW GARDEN

The City View Garden affords its guests with an unparalleled panoramic view of the city and the surrounding mountains. It is perfect for the wedding of your dreams, a dainty Sweet 16, a unique bridal shower, or a woodland-themed debut for 350 guests.

## GAZEBO

In the City View Garden stands a beautiful glass gazebo for that romantic proposal, or a picture-perfect bridal portrait.

## LOWER GARDEN

A picturesque choice with its rich foliage and majestic trees, the Lower Garden is ideal for a garden ceremony and a wedding reception of 200 guests or for an outdoor celebration.

## UPPER HALL

The Upper Hall fits up to 300 guests and may be partitioned for gatherings of 150 persons or less. While entirely indoor, the hall's panoramic windows offer a view of Chateau de Busay's lush greenery, allowing you to enjoy the same romantic ambiance as an al fresco location.

## GARDEN HALL

With a seating capacity of 200, the Garden Hall is an indoor venue that charms with its period Filipino accents, vintage chandeliers, wooden carvings, and capiz windows.

## ROOFTOP

For smaller gatherings of 100, the Rooftop offers both the convenience of an indoor venue and the beauty of an outdoor space. It is a perfect venue for intimate occasions, be it an anniversary, a baptism, or your child's first birthday party.

## RESTAURANT

Our restaurant opens its doors from 11:00 am to 11:00 pm and offers a welcome escape from city life with its fresh mountain breeze, relaxing atmosphere, breathtaking view, and delectable continental cuisine. It is the perfect venue for a romantic date, a dinner for out-of-town guests, or even a work function.

## ROOMS

After a day of reverie, you can retire at any of our seven air-conditioned, twin-sharing rooms. Enjoy the complimentary breakfast for two as you relive your memorable stay at Chateau de Busay.
